Welcome Message

PRASANTH SANKAR FCCA
CEO

In a world where change is the only constant, education stands as the steadfast beacon illuminating the path to a brighter future. It is the catalyst for personal growth, societal progress, and global transformation.

As you immerse yourselves in the pursuit of knowledge, remember that education is not just about acquiring facts; it's about fostering critical thinking, nurturing creativity.

After working in various MNCs and global banks, I've learned the importance of continuous learning and skill development. This philosophy is at the core of WeGyde's vision. We're not just here to teach; we're here to equip you for success in the corporate world or in pursuing your passions. Personally, I live by three words: Aspire, Believe, and Create. Aspire for what you would like to achieve, believe in yourself and the universe, Create something beautiful for yourself

Wish you everlasting success!

“ Nowadays as commerce is considered more or less equivalent to Medical, a lot of students are preferring commerce and in fact some medical students are doing professional courses related to Commerce. One of the best professions that a student can choose after his 12th is ACCA(Association of Certified Chartered Accountants). It is equivalent to CA (Chartered Accountant) and it is a globally recognized degree. I am here to teach you the base of ACCA which is the knowledge level or 1st level of ACCA. It is very important to have a great hold on the Knowledge level as 2nd Level (Skill) and Last level (professional) are just extensions of this base level. ”

About WeGyde

WeGyde is an all-in-one online platform to provide the best quality professional education to every corner of the world. In 2018, we launched our online education even before COVID 19 and after carefully observing the market conditions, we created a clear professional structure that allows every student to learn, interact, and get qualified using our all-in-one platform.

We specifically have a feature where you can;

Interact 1-on-1 with our faculties via chat

Resolve all your questions or doubts by on request meeting

Using our app, you'll be able to prepare for any professional qualification test or skill-based exam with our in-house-developed tutor notes, approved materials, and industry-specific questions, all in the WeGyde app.

Vision And Mission

Vision

Our vision at Wegyde EdTech is to revolutionize the educational landscape, creating a world where learning knows no barriers. We aspire to be the leading provider of innovative and inclusive educational solutions, empowering learners of all backgrounds to thrive in an ever-evolving global society. By leveraging technology, nurturing talent, and prioritizing student-centricity, we aim to inspire a new generation of thinkers, creators, and leaders.

Mission

At Wegyde EdTech, our mission is to democratize education by providing high-quality learning experiences that are accessible, affordable, and tailored to the individual needs of each student. We are dedicated to placing students at the forefront of everything we do, fostering an environment where their growth, success, and well-being are our utmost priorities.

Our Courses

ACCA

Global professional body offering the Chartered Certified Accountant (ACCA) qualification, recognized worldwide as a leading accounting credential.

CMA IND

Qualification offered by ICAI, focusing on cost, financial management, and strategic decision-making. It opens doors to many career opportunities and commands strong earning potential.
